Just Like Gold Coin.

For more than fifty years has PERRY DAVIS' PAIN KILLER stood the test against all remedies prepared to eradicate pain, and today stands at the head of the list among the medicines that are so essential to keep at hand in the home.

It is not a new fangle remedy nor do the proprietors lay claim to any wonderful revelation of the ingredients that enter into the manufacture of this ever popular remedy.

It is perfectly harmless, you need have no fear of becoming habitually inclined to its use.

For Colic, Cramps, Dysentery, Colds, and all painful affections, a few doses will certainly give relief. You cannot afford to be without a bottle in the house.

Your forefathers used it and found it beneficial.

Why experiment with some remedy that is new and its effect on the system unknown?

It has many rivals but no equal.

The new 35c. size contains over double the quantity of the 25c. size.

KEEN ENJOYMENT.

It Was Only an Impression, but It Gave Him Pleasure.

The policeman's best led him past a fence which was formerly in demand for the display of theatrical posters, but which had been abandoned. It is eloquent with descriptions of glories that have dazzled and departed. A shy looking man stopped to look at the old posters, and he lingered so long that the policeman grew suspicious and walked up and down the block several times in order to make sure that he was not waiting to signal to a confederate to plan some nefarious excursion.

"I hope I do not annoy you," the shy looking man said deferentially. "I ought not to be doing this. It's not generous or kind of me. But I can't help it."

"I don't see that you are doing any harm at present."

"Of course you don't. You're not a mind reader. It was my guilty conscience that spoke. I have a vindictive nature, and I can't master it. I'm one of those people who dislike Great Britain on general principles. I can't get rid of the feeling that the stamp act was a personal insult, and every once in awhile I forget myself and want to enlist in George Washington's army. Every time anybody suggests some means of twisting the lion's tail it is all I can do to keep from getting up and howling with glee."

"I don't see what that has to do with the case."

"Do you observe the names of English actors that appear there?"

"Yes."

"Every one of them was a shining light at home. They had to be coaxed and pleaded with before they would consent to leave the public whose idols they were. The way their managers have talked about it in their interviews almost brought tears to my eyes. But once here they very rarely go away except on short vacations. Season after season they are with us to tell how they are missed at home. And whenever I think of the manner in which the English public is deprived of all this flower of its dramatic talent, yearning in vain for it year after year. It makes my bosom fairly thrill with fendish joy."—Washington Star.

How Fractional Currency Came Into Use.

In 1863 small silver change was very scarce, and people could not find a medium of exchange for small transactions. Change had to be taken in groceries, vegetables, etc. General Spinner, treasurer of the United States, was appealed to for change. There was no law under which he could produce small currency, so he ordered a large quantity of postage stamps, pasting them on different sized pieces of paper to represent different amounts. This was dubbed "postal currency." From this General Spinner got his idea of fractional currency and applied to congress for the right to make it. The facsimile of postage stamps was put on each piece of currency, and for a long time it was known as "postal currency."

How to Cure Scalds.

Take a camel's hair brush; wash the wound carefully with lukewarm water every day. Wipe brush dry, then dip in linseed oil. Cover the wound with oil. Scrape whitening on same. Bandage carefully. This has cured the worst of scalds without leaving any mark.

How Vegetable Ivory Is Produced.

Vegetable ivory is the seed (corozo nut) of the *Phytolapha macrocarpa*, one of the most beautiful of the many palms which grow in South America. In the heart of its tall and graceful plume of light green leaves are found 6 or 8 beads of fruit, called by the natives "negro heads," each of which weighs from 20 to 25 pounds and holds many triangular nuts. These seeds or nuts contain at first a milky fluid which gradually becomes so hard as to make it a valuable substance for ivory in the manufacture of knobs, buttons, etc.

How to Make Anchovy Butter.

Clean and bone 6 anchovies and beat them well in a mortar; add 2 ounces of butter, mix well and pass through a wire sieve. Serve on pieces of buttered toast.

Citizens Attention.

These are days of considerable anxiety and perplexity to all who have possessions or other interests in the Republic of Hawaii, and it is time that our citizens came to a mutual understanding on several important issues. The prospects for Annexation appear at present vague and indistinct, and our destiny cannot be foretold with certainty. There are those, also, who still fondly cling to the hope of a return to the old order of things, and who cannot be persuaded otherwise, yet this outlook appears far more hazy than that of Annexation even to the most hopeful disciples of the Monarchy. But, fortunately, in the midst of all this uncertainty there is solace in the fact that Buffalo Beer has come to stay and that patrons of all sorts and opinions may equally share the benefits of its invigorating and sustaining properties. We are moreover assured that this favorite brew will continue to be dispensed as heretofore at the Royal, Pacific and Cosmopolitan Saloons.

PRESIDENT DIAZ DECORATED.

BERLIN—The Reichsarzt, officially announces that President Diaz, of Mexico, has been decorated by Emperor William with the grand cross of "Rainier." President Diaz issued an edict to the effect that no beer except the sparkling "Rainier" be served in public places, or on state occasions. On tap or in bottles at the Criterion.

HONOLULU, April 21, 1896.
 Mr. C. W. MACFARLANE:—It affords me pleasure to recommend, to any one whose hair is falling out, the use of **DR. POTTIE'S HAIR OIL**. My hair was coming out at such a rate as led me to believe that I would soon become bald. After using the oil for five weeks this ceased entirely; none whatever is now falling out. I consider it the best and only worthy remedy for this trouble and also recommend it as a stimulant to new growth.
